Dear Families

Sing On Celebration Concert – Tuesday 24th March 2026

This year, Year 3 & 4 children have been enjoying taking part in “Sing On” singing sessions. This hard work culminates in a celebration concert at Bedford Corn Exchange on Tuesday 24th March 2026.

Itinerary:

1.15pm Leaving school – children will be travelling by coach

6.00pm Concert starts

7.00pm Concert finishes

With so many children involved at these events, space is obviously very much at a premium. Please ensure that your child only brings with them the minimum they need for the evening, just a packed tea (no nut products please) in a disposable bag and plenty of non-fizzy drinks. (Children will have a normal lunch at school – either their usual packed lunch or pre-booked hot dinner). *Concert dress will be your child’s usual school uniform.*

The school will arrange transport to take the children to the Corn Exchange but please note, **parents/carers will be responsible for taking their child home at the end of the concert at 7.00pm.** There will be a voluntary contribution charge of £4.70 towards the cost of the coach.

Tickets for the event will no longer be purchased through the Corn Exchange box office, we will share details with you well in advance of the event on the booking process.

Parent/carers will be taking photos at the event but they will be advised that these are for personal use only. The event organisers will also take photos/videos for promotional events. If you do not wish for your child’s photograph to be taken by the organisers, please advise us on the ‘Form’ link below.

Payment towards the cost of the coach can be made through your child’s MCAS account, please can the payment be made by **Tuesday 10th March 2026.**

I am sure the children will have so much fun from this musical experience.

Please complete the ‘Form’ link below, giving your permission for your child to attend the event and whether you give permission for the Corn Exchange to take photos and video footage for promotional work.
