Part A: Pupil premium strategy plan

Statement of intent

At Orton Wistow Primary School, we believe in the need to develop the whole child within and beyond the curriculum. This is incorporated within our purpose statement where we strive to motivate our learners and encourage their creativity and curiosity. Everybody deserves the opportunities they need to succeed.

Our intention is that at Orton Wistow Primary School, we work as one to believe, achieve and succeed. Treating everyone equally and with respect, which in-turn helps us to find and nurture what makes each person an individual learner.

Our Pupil Premium strategy is based on our above statement, with the intent that all children, including non-disadvantaged, will benefit from the strategies outlined in this document.

To ensure they are effective we will:

- Ensure disadvantaged pupils are challenged in the work that they're set.
- Act early to intervene at the point the need is identified.
- Adopt a whole school approach, in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Enrichment opportunities for pupils from disadvantaged backgrounds, so as to receive similar cultural capital as peers, both during school time and inclusive of extra-curricular opportunities on offer.
2	Pupil gaps in knowledge to be plugged effectively and efficiently, so as to make expected progress, in line with peers – specific focus on writing, grammar and basic sentence structure.
3	Pupil emotional resilience and wellbeing – due to the ever-changing cohorts and needs of pupils joining our school.

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.
