Free School Meals & Pupil Premium Funding

Even though all children in Key Stage 1 receive **Universal Infant Free School Meals**, your child's school can only benefit from **Pupil Premium** funding if you apply, and are eligible, for **Free School Meals**.

These are two different things.

Every child who applies for free school meals (because they are from a family on a lower income) can unlock up to £1,455 extra funding for their school called Pupil Premium, which must be spent on supporting their development. So, even if your child is in Reception, Year 1 or Year 2 and will automatically get a free meal, please do still make an application as well as KS2 pupils too.

Otherwise, the school will not know that your child is eligible for the additional funding.

Applying only takes a few minutes and, if eligible, your child will continue to receive Free School Meals until end of Primary school.

Applications are completed online and the school gains no personal information about your financial situation.

**Please spend a few minutes to
see if you could be eligible, via
