HIPPS Newsletter

We have thoroughly enjoyed welcoming our Reception children for their first full week in school. They have impressed us enormously with how quickly they have settled into school life and embraced our routines with confidence and enthusiasm. It was particularly lovely to see them taking part in their very first Balanceability session this week. If you would like to see some photographs, please take a look at our Facebook page.

In assembly this week, we focused on our school values and discussed what these look like in action both inside and outside the classroom. I challenged the children and staff to think particularly about the value of Respect and to notice examples of this being demonstrated around school. On Thursday, Mrs Beal visited classrooms across the school and was delighted to see so many children engaging in respectful conversations and positive interactions as part of their learning.

Around the school, displays are being refreshed to celebrate the fantastic learning that has already taken place this term. We look forward to sharing these with you during Parents' Consultations later this term. In the meantime, you can enjoy some of Year 2's amazing spiral artwork, which has been featured on our Facebook page.

Congratulations!

Ava in Year Two took part in the International Whaling Committee art competition to celebrate their 80th anniversary. We were delighted to hear that, in the age 4-7 category, she won the award for Creativity and Originality.

We are so impressed with her entry and are pleased to celebrate her success!

Showcase Assemblies and Performances

At HIPPS, each year group will have an opportunity to showcase their learning or perform in front of an audience of parents/carers.

Year 1 will do this in the form of their Nativity and Year 6 their end of year production. All other year groups will have a Showcase assembly to share what they have been learning. These showcases will be followed by Open Classrooms where you can go and look at the children's books in classes. Dates for these events have been added to the key dates below.
