## Headteacher update

We certainly ended the week with better weather than we started it with! Lots of fantastic learning has happened this week. I was able to witness first hand some of the amazing reading and writing that our Reception children are demonstrating after less than 10 weeks with us. On a tour this week, prospective parents for Reception in 2026 could not believe the writing that the children were already producing, how hard they worked to sound out words in their reading groups and how 'steady' they all were when moving from one place to another. It makes me incredibly proud when we receive comments like this and is, I hope, a reflection of both the school and the amazing children we are lucky enough to have at our school.

We are very fortunate to be supported by HI friends who pay for programs run in our school by Sophie Howell. This program called 'Flourishing Starts' helps children to identify and develop strategies to support their own mental health and that of their friends. Sophie has worked with all the children currently in Year 5 and 6 and will be working over the next few weeks with the children in Year 4. Year 4 parents are very welcome to come to an introductory parent session this coming Monday, 24<sup>th</sup> November at 9am. Finally a reminder that applications for Reception places for September 2026 close shortly after Christmas. Please make sure you have completed your online forms before then.

## News from the classes

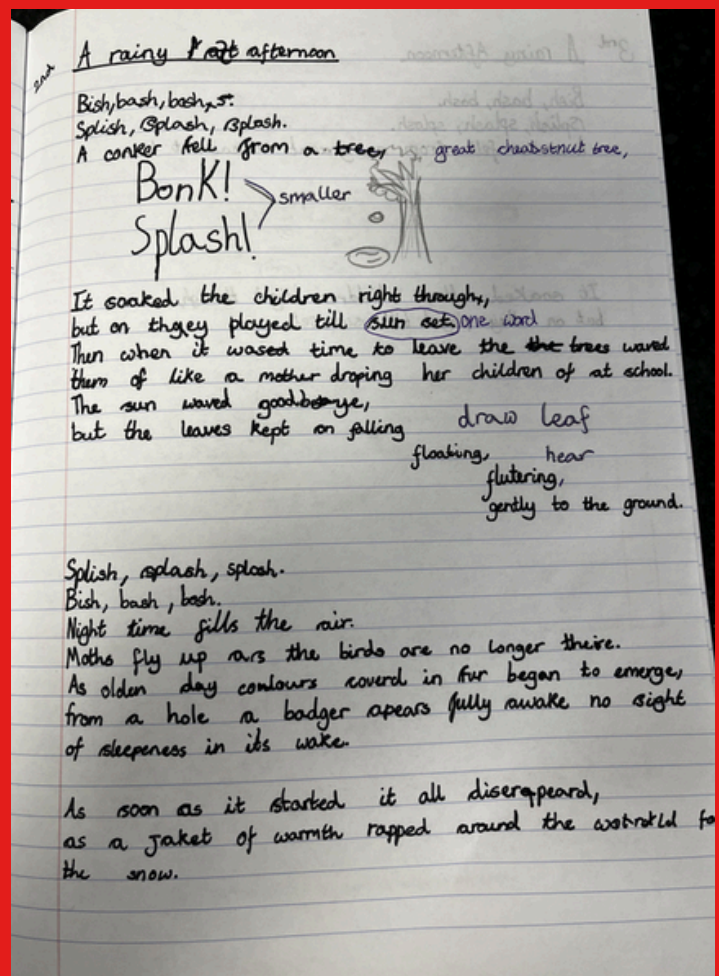

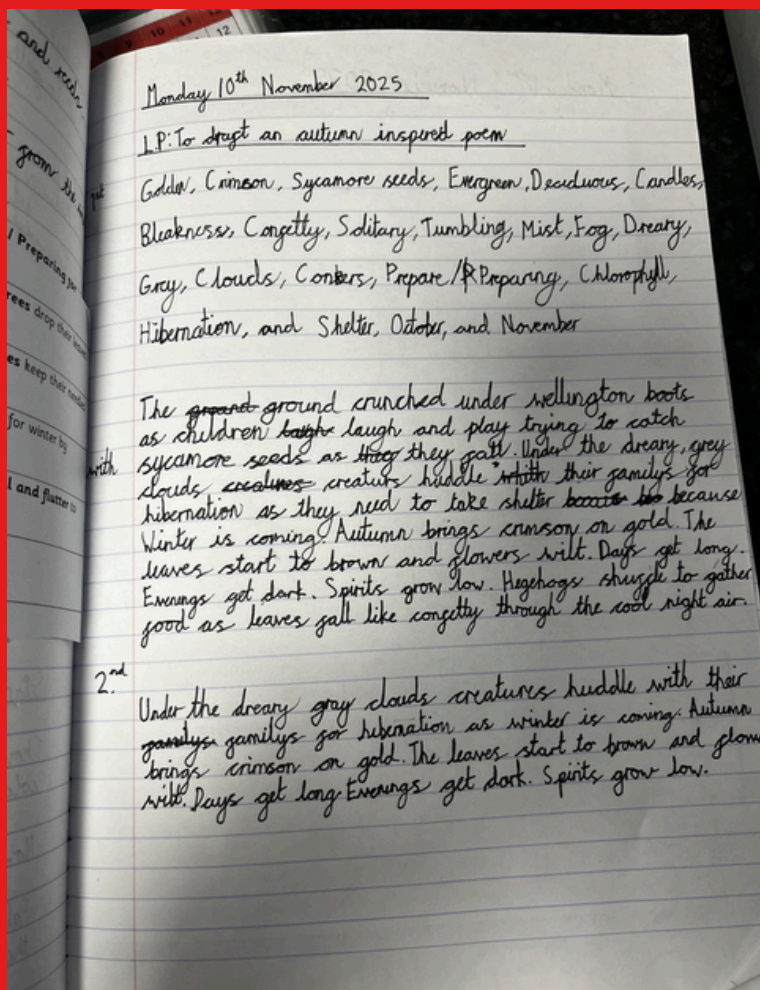

In Reception this week, the children have been doing some fantastic PE. I popped into Mrs Scheilling lesson today and the children were really working on controlled movements whilst using hoops and balls. They were also, according to Mrs Scheilling, brilliant at getting dressed and undressed for the PE lesson.

In Year 1 and 2 this week, the children have been being very artistic. Year 1 have been using different shapes to create prints of Winter scenes whilst Year 2 have taken inspiration from what they could find outside on the field and created careful sketches of what they found in their sketch books.

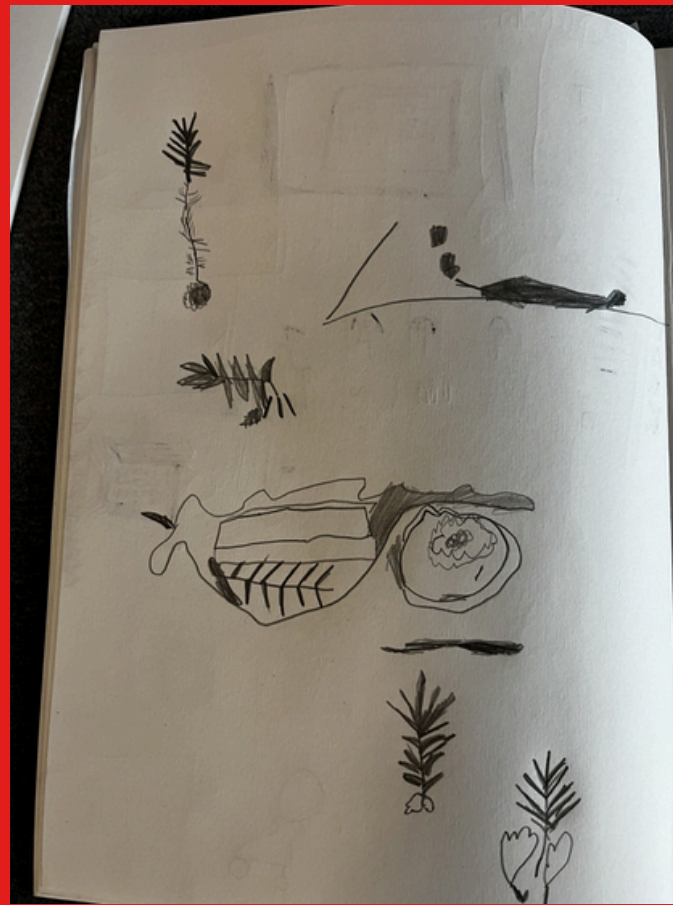

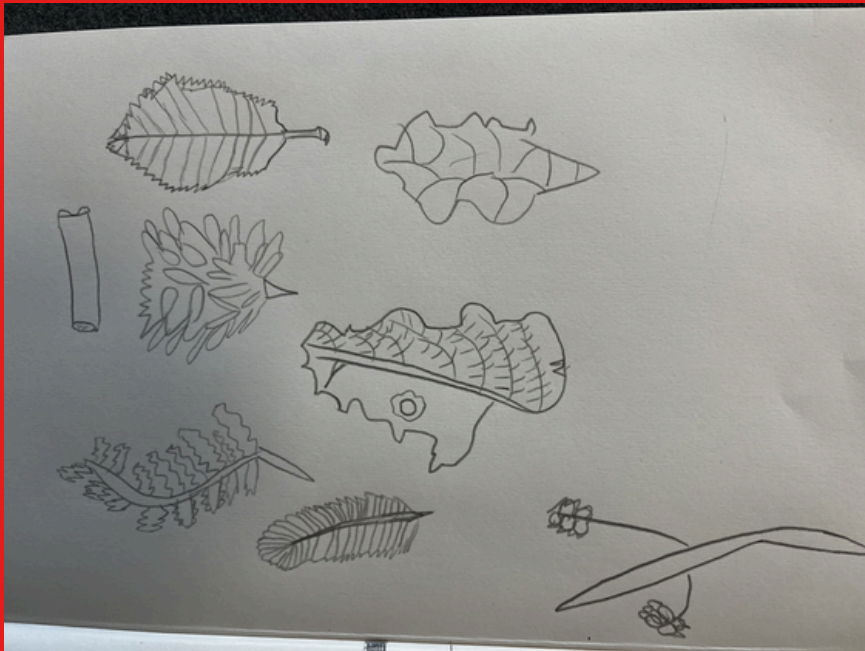

Year 3 and 4 are discovering lots of information linked to their Geography topic about Volcanoes, Mountains and Earthquakes. They have been using atlases to find out more about locations around the world. In Art, they have been colour mixing linked to images of mountains and volcanoes in preparation for some fabric painting later this half term! They have also been busy on Times Tables Rock Stars as part of our whole school challenge to get as high up in the national competition as we can!

Year 5 and 6 have been writing detailed setting and character descriptions in English and Mrs Jackson and Miss Beith have been particularly impressed with the quality of writing this week in Year 6. They have also been learning to multiply and divide fractions in maths which is not easy.

See below for Year 4 Autumn poems, Year 3 and 4 colour mixing and Year 2 sketching.

## Children In Need 2025

Massive thank you to everyone for your generous donations. We have raised a huge amount for Children In Need. Our fundraising page is still open for any last minute donations: [https://www.justgiving.com/page/lisa-moule-8?](https://www.justgiving.com/page/lisa-moule-8?utm_medium=FR&utm_source=CL)

## Christmas 2025

This week, you should have received a letter which outlines all the key dates for the month of December. We hope that this will be a useful reference for you all!

## Christmas Raffle

This week, you will have received an envelope with some raffle tickets in. These are to support our PTFA Christmas Fair fundraising. If you wish to buy the tickets, fill in the ticket stubs, pop your cash payment in the envelope and return to school. Any unwanted tickets, please send back into school.

If you want to buy additional tickets, please pop to the school office.

Tickets stubs and money should be returned by 8<sup>th</sup> December but raffle tickets will be on sale during the Christmas Fair!

# FLOURISHING STARTS PARENT SESSIONS

This term, our Year 4 children will be starting the Flourishing Starts programme with Sophie, HI Friends Mental Health Wellbeing coordinator. Before the programme starts, Sophie will be leading a parent session to share information about what the children will be learning. There will also be a review session at the end of the programme.

## **The programme aims to:**

- Provide well-being tools and techniques
- Help parents and children to manage well-being
- Enable families to talk about well-being

**Dates & Time:**  
**Monday 24<sup>th</sup>**  
**November at**  
**9.00am and**  
**Monday 26<sup>th</sup>**  
**January at**

# Housepoint Totals

	 EARTH	 WATER	 FIRE	 AIR
Totals for this week	65	61	66	53
Total for the term	158	158	166	164

Congratulations to Fire House for winning the house competition this week. The overall scores could not be much closer!

## Reminders

### Entering School

Please can parents/carers ensure that children arrive at school **no earlier than 8:30am**. We have a number of children here before then and we are not able to supervise them and you will be aware that there is only very limited waiting space outside the gates. The gates open at 8:40am and ideally children should arrive on site between 8:40 and 8:45a.m.

### P.E Kit

Please can you ensure your child always has a full PE Kit in School every day as P.E days can change. **Children must bring a change of shoes for P.E**  
Children must not wear earrings for P.E. Ears cannot be taped to cover earrings so they must be removed. If children cannot do this themselves, parents should remove at home. If ears are newly pierced and earrings cannot be removed, children will have to observe P.E lessons as they cannot join in due to Health and Safety guidance.
