Headteacher update

It has been a really busy week back after half term. We hope you all had a great half term break!

I have been particularly impressed this week by our Upper Key Key Stage children who have worked really hard to improve their road awareness and cycling skills in their Bikeability sessions. I have seen them out on the roads this week showing a really mature attitude and listening really carefully to their instructors.

One of the jobs that I always have over half term is to review attendance across the school. There are benchmarks of 95% set by the Local Authority and central government for individual children and schools.

So far this term our overall attendance has been 96.9% which is good but there is always room for improvement!

We are particularly proud of our two Reception classes who have a combined attendance figure of almost 98%!

Please only keep your child off school if they are really unwell and help us to get this figure even higher!

Anti- Bullying Week

This year, Anti-Bullying Week, an annual national event, is taking place on the week of Monday 10th November. Anti-Bullying Week aims to raise awareness about bullying and its impacts among young people, as well as highlighting preventative and responsive strategies that encourage positive action.

Odd Socks Day marks the beginning of Anti-Bullying Week. We encourage children to wear odd socks to school on Monday 10th November to represent a celebration of individuality, diversity and promotion of anti-bullying awareness. An Anti-Bullying Week assembly will also be held on this day to mark the beginning of the event in school.

Parent Questionnaire

Just a reminder that we want to seek feedback about your children's experience of school. We have had over 100 responses already but would love to hear from more of you. The questionnaire will close on Friday 14th November.

Year 4 Multiplication Check Talk

Just a reminder that on Tuesday morning at 9am, Mr Wilson will be doing a short (30 minute) talk about the Year 4 Multiplication Check. It will be a chance for parents to understand the check but also to find out some ways that you can help your children!

Congratulations to Air House for winning the house competition this week.

Reminders

Entering School

Please can parents/carers ensure that children arrive at school **no earlier than 8:30am**. We have a number of children here before then and we are not able to supervise them and you will be aware that there is only very limited waiting space outside the gates. The gates open at 8:40am and ideally children should arrive on site between 8:40 and 8:45a.m.

Phones

Can I please remind all parents and carers, particularly those with children in Years 5 and 6 that children should only be bringing phones in to school IF they are walking home alone AND you have emailed school to give them. If they have to bring them they need to be handed into their class teacher immediately on arriving in their classrooms.

Lunches

Lunches should be ordered by Wednesday for the following week using the MCAS app

P.E Kit

Please can you ensure your child always has a full PE Kit in School every day as P.E days can change.

Children must not wear earrings for P.E. Ears cannot be taped to cover earrings so they must be removed. If children cannot do this themselves, parents should remove at home. If ears are newly pierced and earrings cannot be removed, children will have to observe P.E lessons as they cannot join in due to Health and Safety guidance.
