3. Minutes from last meeting

Circulated, no issues

4. Movie Night

- Reception to start straight after school. Parents to drop off older kids at 16:00 for a 16:15 start
- Not able to charge for the film, but will charge for popcorn and juice box (suggested fee: £5)
- Order bags of popcorn to save time
- Cash only
- Reception will be free and offered a donation option, considering their film is shorter and the kids will be in their uniforms. This is also a way to make it up to them for not including them at the school disco earlier in the school year.
- Selection of three films: One for reception (under 60 mins), one for Y1-Y4 (rated U), one for Y5-6 (possible to be rated PG)
- School to add disclaimer about the films when advertising is sent to parents
- No cap to the number of kids that will attend
- Parents to pay as they're dropping off the kids (Y1-Y6 only)
- Plan for available entries/exits to be made by school
- Parent volunteers with DBS will be needed
- Nikos to look at licensing options, film, availability, etc
- Nikos to apply for TEN licence
- A list of film options will be provided by the school to the kids and the school council will decide on their favourite
- Lydia/Adam will take care of the film poster, once details are finalised

5. AOB

Date for next meeting will be decided after the movie night is out of the way
