

Mad Hatter's Wrap-around-care.

Mad Hatters Wrap-around-care is a childcare setting based at the Park Primary School, with the ethos of promoting and empowering children through play, in a safe and supervised environment. This gives children the freedom to choose and plan their own activities and promote free flow between inside and outside. In a child lead environment, the children build on their strengths and develop new skills and friendships. We put the children first at the core of our values.

Breakfast club 7:45-9am

A selection of breakfast foods is provided. Then a time to relax or play. At the end of Breakfast Club, children are taken straight to their classes ready for the school day.

After school club 3- 6pm: The children are escorted to the setting. A substantial snack consisting of a variety of foods are provided. Fruit and water are available throughout the sessions.

Holiday clubs 8-5.30: We also offer your child a fun filled, action packed school holiday, delivered in a safe and supervised environment. We also ensure that all activities meet the needs and interest of each individual child. We adapt activities when necessary, to challenge and engage all the children. There are also activities planned around different themes, seasonal events, celebrations, and the interests of the children.
