

Ramsey Gatehouse Sixth Form

PROSPECTUS 2027/28

Let us open the door to your future

Ramsey Gatehouse Sixth Form provides me with the tools and support to help me excel and achieve my ambitions.

STUDENT

”

ACHIEVE YOUR

AMBITIONS

WHATEVER THEY MAY BE

Studying at Ramsey Gatehouse Sixth Form has been a gift, due to the balance between independence and support from teachers, leading to a good, well-rounded studying environment.

STUDENT

”

Ramsey Gatehouse Sixth Form builds on our impressive track record of securing high levels of attainment and supporting students into higher education and employment.

At Ramsey Gatehouse Sixth Form, your learning experience is tailored to you, with an ever-expanding mix of academic and vocational subjects to suit your needs and interests.

Learn in the way that best suits you; whether that's working in our upgraded sixth form areas, collaborating in our vibrant Study6 café, or studying at home.

Our refurbished study area provides a vibrant area for learning within which students can use their own devices or our modern ICT facilities.

“

I'm so proud to be part of this incredible Sixth Form and I know that when you join us, you will feel the same way.

SAMANTHA MOORE

HEAD OF SIXTH FORM

”

We've built a bespoke specialist team of sixth form tutors, dedicated careers team and UCAS experts to ensure you reach your potential.

From assistance with the cost of transport to supporting you to buy your own device for study, we're here to help those that need it.

Our students are confident, diverse young adults who are willing to work hard to achieve their ambitions, whatever they may be.

They are leaders in their local community, taking every opportunity to develop the skills they need for the future.

Ramsey Gatehouse Sixth Form is the heart of Abbey College; a place our students aspire to reach.

Let us open the door to your future.

A CLOSE-KNIT

COMMUNITY

WITH A STRONG HISTORY

It is a pleasure to be a student at Ramsey Gatehouse Sixth Form as we are given the support and opportunities to become more independent as individuals and develop on our academic journey.

HOW TO APPLY

ENRICHMENT BEYOND THE CLASSROOM

At Ramsey Gatehouse Sixth Form, enrichment is an integral part of the student experience. We believe that success is about more than academic achievement; it is about developing confidence, leadership, independence and a wider understanding of the world. Our enrichment programme provides opportunities for students to challenge themselves, explore new interests and build valuable skills for university, apprenticeships and future careers.

Model United Nations

Develop your confidence in public speaking, debate and diplomacy through our Model United Nations (MUN) programme. Students take on the role of international delegates, researching global issues, negotiating solutions and participating in conferences that promote critical thinking, collaboration and leadership.

Extended Project Qualification (EPQ)

The Extended Project Qualification offers students the opportunity to investigate a topic of personal interest beyond their A Level studies. Highly regarded by universities, the EPQ develops independent research, project management and presentation skills while allowing students to explore subjects they are passionate about.

Social Action Projects

Making a positive difference in our community is at the heart of our values. Students can take part in a range of Social Action Projects, including:

- Food Bank collection drives.
- Charity fundraising and awareness campaigns.
- Volunteering within the local community.
- Student-led initiatives supporting causes that matter to them.

These experiences help students develop empathy, teamwork and a strong sense of social responsibility.

Careers Discovery

Our Careers Discovery programme helps students explore the opportunities available beyond Sixth Form. Through employer encounters, career fairs, university visits, workshops and guest speakers, students gain valuable insight into different pathways and build the knowledge and skills needed to make informed decisions about their future.

Broadening Horizons Through the Sawtry Link

Through our partnership with Sawtry, students can access a wider range of enrichment opportunities designed to develop cultural awareness and expand horizons. These include:

- International educational trips and visits abroad.
- Cultural capital experiences to museums, galleries and historic sites.
- Opportunities to engage with different communities and perspectives.
- Shared events and activities that enhance personal development

These experiences encourage curiosity, global awareness and a lifelong love of learning.

Shaping Well-Rounded Individuals

Our enrichment programme ensures that every student has the opportunity to discover new interests, develop essential life skills and create memorable experiences that complement their academic studies. At Ramsey Gatehouse Sixth Form, we prepare students not only for examinations, but for the opportunities and challenges that lie beyond them.
