

Meet your school representatives for 2022-23

Mercury

Hi I'm **Esmie**,

As house captain I would like to encourage and motivate you to achieve as many house points as possible. I have been in the school since year 3 (so I know what it's like in every year) so that way I can help you feel happy and welcome. Lastly, I have always wanted to be a house captain so I can represent my house and school in a positive way.

I am a confident leader and happy to help with anything. I am hardworking and approachable, so come to me with ideas or problems and will take them to school council meetings. Finally, I am pretty good at maths so I can keep count of all the house points you earn for us. We will lead Mercury to Victory!

My name is **Caleb**,

I would be a great role model and will help others if they need it. I am happy to play with you if you are lonely. Thank you for voting for me.

Saturn

I'm

Isla,

I promise to always be positive and happy. I'll be there if you need help or have a problem and you want to talk to someone. I hope to inspire you and lead by example. I will show you that I can be a good role model and will show you my best qualities even though I'm not the best at everything.

I always try my hardest and never give up. My hobbies are horse riding and football and I play for Sawtry Falcons. My strengths are that I'm approachable, positive, friendly and caring. I am proud to represent Sawtry Junior Academy in my final year at school.

My name is **Adam,**

Being a house captain is a responsibility and I have never had one before and I am glad to represent my house. I am really good at counting which is a big part of being a house captain. I am also kind to people around me. I will listen to everything you say and will be sure to mention it at meetings.

Jupiter

I'm **Quest**,

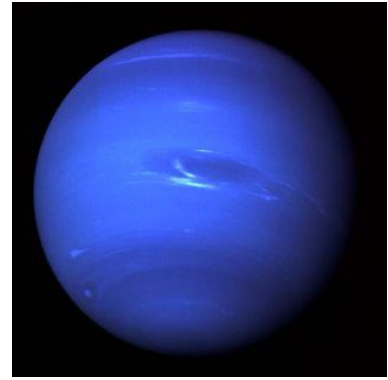

I have always wanted to be a house captain since year 3. I feel like it is the right job for me. I am thoughtful and respectful of others. I am an optimist and I'm funny. I am a sportsman and understands it is important to keep things fair. One day you might like to be a house captain like me!

Hi, I'm **Seren**,

I hope to be an inspiration and a role model to our younger students. I will be delighted to help with fundraisers and showing students and parents around the school. I would also love to encourage others to participate in after school activities which I have done in the past like choir. I would bring Jupiter together with team work, joy and organisation. I think as a house captain it is important to be confident and loud – one of my strong points as I love to talk!

Neptune

Hello my name is **Josh**,

I like to read a lot at home so if we win I would help the community. The qualities I have are that I am good at maths so I can count up the house points. My favourite subject is PE so if you like football come to me. I am kind, caring and will make school fun for you. I am here to help with your learning.

I'm **Maisie**,

I love helping people and making sure everyone is okay. I will sit with you if you are alone and support you. I will not cheat when adding up house points.
