

Dear Parents and Carers,

We are writing to inform you of a small update to our school uniform, which will take effect from September 2025. After gathering feedback from pupils, staff, and parents, we have decided to move from the current ties and collared shirts to polo shirts.

From September, pupils will be able to wear **either** a white **or** a pale blue polo shirt as part of their uniform.

We believe this change will make our uniform more comfortable for children and easier for families, while also helping to reduce costs. The new polo shirts will be widely available and more affordable than our current uniform.

We understand that making changes to uniform can take time, so there will be a phased transition over the course of the first term. During this period, pupils may continue to wear the existing uniform while families make the change to polo shirts at a pace that suits them.

In the meantime, please be assured that we will support families through this transition and will provide plenty of notice before any changes take full effect.

Thank you for your continued support and for working with us to ensure our school remains a welcoming and inclusive community for all.

If you have any questions or feedback, please do not hesitate to get in touch.

Warm regards,

Mr Thrower & Mr Clarke
