Top Tips

1. **Know the syllabus (OCR J204)**

GCSE Studies is assessed by two exams. The subject specific content for the exams can be accessed by going to;

<https://www.ocr.org.uk/qualifications/gcse/business-j204-from-2017/>

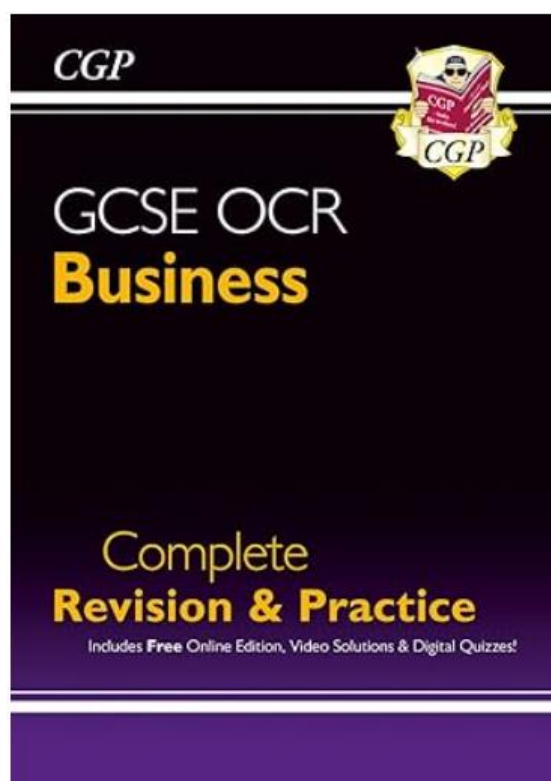

2. **Know the exam style/format**

Access practice materials and example answers – an EXCELLENT way to develop exam technique

<https://www.ocr.org.uk/qualifications/gcse/business-j204-from-2017/assessment/>

3. **Have a revision guide**

The following revision guide is an aid to knowing and understanding syllabus content. Copies can be borrowed from Mr. Kennedy

4. Attend Session 6

The focus will be syllabus content and exam technique.

5. Use classroom notes (exercise book)

All GCSE Business students (should) have excellent classroom notes.

The production of mind maps, flash cards and revision notes based on the content of your exercise book are excellent methods of consolidating syllabus content.

6. Use relevant websites

The following websites offer a wide variety of resources that are useful as an aid to exam preparation;

i. www.businessed.co.uk

ii. www.tutor2u.net

iii. <http://www.bbc.co.uk/education/subjects/zpsvr82>

7. Fully participate in lessons

Including completing all homework tasks.

8. Ask your Business teachers for help and support.

We are fully committed and focussed on all students achieving their maximum potential in GCSE Business. We want to be asked for additional help and support.
