

GCSE FOOD PREPARATION & NUTRITION

Specification

The Food & Nutrition Students are working towards a GCSE awarded by **AQA**.

The qualification comprises of 2 units:

- **Non-examined assessment - worth 50% (sometimes referred to as 'coursework')**

NEA1 – currently being completed (worth 15%)

NEA2 - This assessment will start in November and will continue until Easter.

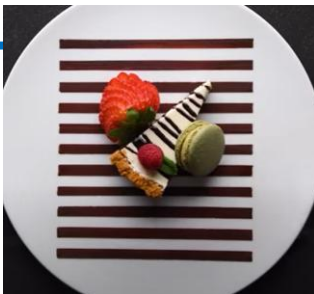

The assessment will include a 3-hour practical task – dates to be confirmed.

- **Written examination in June – worth 50%**

Ongoing revision for the theory topics will continue throughout Year 11 but will be the main focus from Easter onwards.

How you can help...

Encouraging students to choose dishes which show skills and letting them practice dishes at home. This will greatly increase their chance of success when it comes to the practical assessment.
