This policy is reviewed and updated annually to ensure that food and drink in the examination room at Sharnbrook Academy is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

Purpose of the policy

This policy confirms that Sharnbrook Academy reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Sharnbrook Academy:

Candidates are permitted to bring water into the exam room, but no other drinks (e.g. energy drinks) should be brought in, even if decanted into a transparent drink bottle. Candidates should limit food to a few unwrapped boiled sweets to ensure that other candidates are not disrupted through their consumption.

Additional centre-specific arrangements:

No nuts
