You should then be able to review all the information that the student and the employer have entered.

You can then click on the green update button to confirm that you are happy for your child to undertake this placement.

The screenshot shows the Unifrog 'Parent agreement form' for an in-person placement. The form is titled 'Parent agreement form' and states 'You're editing a Parent agreement form for an In person Placement for'. It includes a note to read the information carefully and a warning that the link expires in 324 days. The form displays details submitted by the student, including the student's name, school, email, placement start and end dates (3rd July 2023—7th July 2023), and the placement type (Full time). It also includes a section for the parent/guardian to confirm the placement provider's responsibility for the student's health and safety. At the bottom, there is a green 'Update' button.

Details will then be sent back to the school in order for Health and Safety checks to be completed and the placement to be approved.
