

GCSE to A-level Maths Transition

FEEDBACK FORM

Algebraic Manipulation and Proof (1)

How to fill in the form

- 1 Put your confidence score in Column C. This is not about the number of marks you achieved but how sure you felt while you were answering the question.

Confidence	Definition
0	I didn't answer this one
1	I guessed the answer
2	I needed help with the answer
3	I understood the question but wasn't sure about my answer
4	I was fairly confident I would get most of the marks
5	I was sure my answer was correct and I would get full marks

- 2 Use the mark scheme to check your answers.
Put the mark you think you achieved in Column Mark.
- 3 Write an overall comment about how you felt each question went.
 - If you got help, make a note in the comment box specifying the source: internet, friend, book, parent or tutor.
- 4 Complete 'I can...' and 'I need to...' sentences.
 - 'I can...' sentences might include the questions you found easiest to answer, got the most marks for or felt the most confident about.
 - 'I need to...' sentences might include areas you need to revise, questions you want to ask your teacher or the next topic or skill you want to work on.
- 5 Return the form to your teacher.
