

Hi to all

We wanted to take this opportunity to update you about some recent departmental changes that have resulted in the disassembling of the children and young people officers and that as of now their role no longer exists.

Instead, Cambridgeshire Constabulary have invested in additional safer schools' officers who will be present and active within their designated schools. This will be a bespoke and varied role, however, ultimately their aim is to ensure that young people have trust and confidence in the police through targeted activity and engagement.

The Safer Schools Officers will also be taking on the responsibility of producing the school's newsletter, however, it will no longer be produced monthly. Instead, you should expect to receive one at the beginning of each term. Therefore, the newsletter that was dispatched last week should be considered as this term's edition, and you can expect to receive another one in at the beginning of January 2024.

If you have enjoyed reading the previous newsletters, we hope that you continue to find them useful and informative.

Many thanks and kind regards,

Karen and Clare
Former CYP officers.
