

9th September 2026

Dear Parents/Carers,

As your child starts Year 11, they have to make decisions on their next steps. As the Careers Adviser I will be meeting with them and guiding their pathway to their own choices. I will with their permission email out to them and copy you in on a summary of our conversation. I have listed below some of the open evenings that I advise you attend as many as you can to give your young person the broadest options for choosing.

Our goal is to support all students in making informed decisions about their future and to provide them with the resources and guidance they need to succeed. You can find more detail about careers and guidance on our Trust [Meridian Careers Pathways](#) site.
