

Uniform Policy

1. Purpose

To promote inclusion and engagement with the school, students will be required to wear uniform items for day to day wear as well as in some subjects, such as physical education.

2. Application

We hold a high level of expectation in regards to uniform to help instil pride and support the Academy's ethos. In the light of quickly changing fashions the Academy reserves the right to review the uniform to maintain consistency and high standards at any point. The uniform is reviewed fully by the Headteacher, in consultation with the Academy Council on an annual basis.

Uniform can be checked and challenged by any member of staff but it is expected that the form tutor works with their tutees to ensure a high standard is reached and maintained.

The below, outlines the uniform requirements at SWA. Students and parents should also read the 'Associated Guidance' on uniform which provides additional details on the way the uniform should be worn and how students should present themselves.
