This is our classroom. We have lots of room to play and explore.

We have lots of space to play outside too.

We go to our own Forest School every Friday.

We love reading, writing and Maths in Kestrel class.

We love making things!

And we have lots of visitors come to see us too.

We really can’t wait to meet you all in September.

I hope you have enjoyed looking through all of our photos and you now know a little more about us.

If you have any questions, then please let the school office know.
