

Northstowe
Sixth Form College

Opening 2024 **Overview**

Facilities:

Purpose built Sixth Form centre opening Autumn Term 2024; including a study centre, café, specialist teaching rooms and Sixth Form only entrance. Almost all lessons are taught in the centre. We also have state of the art sport, drama and dance facilities and an on-site gym open to students.

Ethos:

Our values of Kindness, Curiosity and Hard work permeate all we do here. Sixth Form at Northstowe will be a mature environment that allows young people to grow personally and academically. With a family feel it will be a friendly and inclusive place that celebrates, encourages, and supports students to achieve.

Size:

With a maximum size of 400 eventually, we have 100 spaces in the first year. We want to keep our Sixth Form small to ensure we can offer a personalised provision for our students.

Staffing:

Experienced staff, with a background in Sixth Form teaching and leadership; so, whilst we may be a new provision, our staff are not new to the demands of Sixth Form teaching, exam requirements or support.

Curriculum:

We offer a mix of traditional A-Level subjects as well as Applied Courses (BTECs and Cambridge Technicals). We will support students who want to take just A-Levels or who want to combine these with one or more Applied courses. More details about our entrance requirements can be found on our website. We also offer a lot of enrichment opportunities including DoFE Gold, EPQ, Sports Coaching as well as trips and visits.

Getting Here:

We welcome all students to our Sixth Form, we are situated on the Cambridge busway, meaning we are a short bus ride or cycle from Swavesey, North Cambridge, St Ives and of course Longstanton and Northstowe. We can also be reached from Cottenham. Thus, making the journey to college cheap, quick, and flexible. There is a Sixth Form only bike store and some student parking.
