Dear Parent and Carers,

We have sourced a supplier for Cadet boots and arranged a group purchase discount. This is significantly under the retail price and is amazingly good value. The boots chosen are an extremely popular boot with cadets all over the country and with the correct care, should last a long time.

When selecting a size of boot for your child, consider getting a size larger than their current shoe size. They will generally be wearing their boots with a pair of thick socks and are likely to grow too.

The price will be £22.70.

This will be added to your Parent Pay account.

If you have any difficulty paying the full amount, please contact myself or Mr Averill and we can look into other arrangements.

Yours faithfully,

2Lt D. Rayner

Contingent Commander
