Discretionary Bursary

Academic Year	2026 – 2027
----------------------	-------------

This is the application for the Discretionary Bursary Fund.

The Discretionary Bursary Fund is available to you if your household income is below **£27,500** per year. This includes the income of your parents or any partner of a parent living in your household. If you split your time between two or more households, you should use the household where you live for most of the time whilst attending sixth form.

Applications can only be considered once evidence of household income is provided

Evidence can be provided at the same time as you submit your application form, or it can be sent to the sixth form separately. Examples of acceptable evidence can be found in the Bursary Guidance. For further information or to arrange to submit evidence separately, the person / people providing evidence should contact Mrs D Holland (dholland@theferrers.org).

How to make an application

Please complete this application form either on paper or by completing the online version of the form and submitting it by email and returning it to Mrs D Holland (dholland@theferrers.org). They can also answer any questions you might have about the bursary.

We expect to allocate most of our discretionary bursary fund at the start of the academic year and so it is important that you submit the form by the date shown below, along with the evidence of your household income.

Deadline for applications Wednesday 30th September 2026

Further applications can be made during the academic year, though please note that available funds may be limited.

How we can support you and how we will provide support

In most cases, financial support is provided in the form of materials, books, equipment and catering account credit. Where monetary payments are made directly to students, these will be as reimbursements and will be made by BACS transfer, to a bank account held in your name. In such cases, bank details can be provided as part of the application or will be requested once a bursary has been awarded.

The 16-19 Bursary Fund is to help you with your education related costs.	
Transport costs	Where possible, the sixth form team will provide weekly / termly tickets. In other cases, bus and train travel will be reimbursed monthly on production of tickets or travelcard / mobile app statements. Car / motorcycle use will be reimbursed at £0.45 per mile monthly from your home address. Transport cost reimbursements will be adjusted to reflect attendance in the month prior to payment.
Course books	Course textbook(s) and revision guide(s) as selected by the course teaching staff, for each course that you study.
Stationery pack	A pack of stationery including folders, lined paper and pens etc. replenished termly, with the option of a calculator if required.
Equipment	Where you require your own equipment or tools for your course, e.g. a graphical calculator, art materials or equipment for practical work. We can also provide a loaned laptop, for the duration of your course.
Specialist clothing	Any specialist clothing required for your courses, such as safety boots or items branded with the sixth form's name or logo.
Meal costs	Account credit to use at on-site catering facilities to a total of £5.00 per day (including topping-up free meal allowances to £5.00)
