

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6 February 2026 at The Ferrers School.**

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

Half a million children a year suffer abuse or neglect in the UK. That means 7 children in a classroom experience abuse before they turn 18.

«» **NSPCC Number Day** makes maths meaningful and is a great way to make numbers fun and bring about a positive, ‘can-do’ attitude towards mathematics.

- We are having a fun day of maths activities. To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

Safe fundraising

- Please donate via GiftT. You can find the QR code below. Please donate and share with friends so we can support the NSPCC.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at The Ferrers School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Kribashni Govender
The Ferrers School
