

# PROVIDER ACCESS STATEMENT

## The Ferrers School

### INTRODUCTION

This policy statement sets out The Ferrers School arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### STUDENT ENTITLEMENT

All students in years 8 to 13 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses. For students of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for year 8 to 9 students and two encounters for year 10 to 11 students.

**For students in year 12 to 13, particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for students to attend.**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and students from the provider)
- answer questions from students.

## **PREMISES AND FACILITIES**

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team. Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our students. Providers are welcome to leave a copy of their prospectus or other relevant course literature, which will be accessible to students.

## **COMPLAINTS**

Any complaints with regards to provider access can be raised through the Meridian Trust complaints procedure.

## **APPROVAL AND REVIEW**

Approved by the school's Academy Council, reviewed every 2 years or at the point of new legislation.
