

10th July 2026

Principal's Update

Dear Parents and Carers,

The final week of term is nearly upon us! We are so proud of how hard students are still working, despite the end of term fatigue and the heat. Well done and thank you to all!

Uniform & Sports Day next week

The weather looks set to be warm again next week. As such, **students will be able to attend school in TFS PE kit for the whole of next week.**

On Tuesday, for sports day, students can replace their PE top with one in the same colour as their house. Please ensure that students wear suncream, bring a hat and plenty of water. We will review the weather over the weekend and on Monday and make any adaptations to sports day as needed.

Nut Free School

As part of our ongoing commitment to keeping all children safe, we are considering introducing a nut-free school to help reduce the risk of severe allergic reactions. We would welcome your thoughts on this proposal, so if you have any comments or feedback, please email us at mail@theferrers.org. We will carefully consider all responses before making a decision and will share further information with families in due course.

Last Day of Term - Reminder

The last day of term, Friday 17th July, is an early closure, with school ending at 1.30pm and all students need to leave the site at this time. It will also be a **non-uniform day**. Students must wear clothing suitable for a school environment – excessively cropped clothing, beachwear, flip flops etc. are not suitable for school. If in doubt, students should speak with their form tutors for clarification. **We ask that all students pay £1** for the privilege of wearing non-uniform. An item on MCAS has been setup, and all proceeds will go towards the refurbishment of the lighting and sound equipment in our main hall. Thank you for your support.

Summer Reading

Summer Reading 2026 is officially live! The First News Summer Reading Scheme is a free initiative for all pupils of subscribing schools. It gives students full digital access to their award-winning children's newspaper, games and puzzles via the First News app throughout the summer holidays. The scheme helps children stay curious, informed and reading while school is out – supporting families and helping schools reduce summer reading loss with trusted, age-appropriate news and engaging activities. Any families wishing to sign up will give children full access to *First News* for the next 8 weeks! To subscribe click on the following link: <https://subscribe.firstnews.co.uk/summer-reading-2026/232049330057/>
