

28th April 2026

Dear Parent or Carer,

Year 7 Progress Review Point

I am pleased to advise that the second Progress Review (PR2) for your child is now available on My Child At School.

If you have not already downloaded the 'My Child At School' (MCAS) app or have problems logging in please email mail@theferrers.org

Your child will now complete an Academic Mentoring session with their tutor within the next two school weeks. The tutor will then contact home to discuss or share any actions that have been agreed.

You will notice that the report contains a progress grade for each subject, which could be one of three variations:

- P Making expected levels of progress.
- P+ Making above expected levels of progress.
- P- Making below expected levels of progress.

This progress grade is made by your child's teacher based on all the evidence they have about your child's projected attainment. This will include, but is not limited to, work done in class and at home and attainment and progress in tests and assessments.

If you have any questions arising from PR2, please don't hesitate to contact your child's form tutor or House Office in the first instance.

Yours sincerely,

Mrs M Garrod
Assistant Principal, Attainment & Progress
