Dear Parents/Carers,

Hopefully you have all enjoyed reading our OFSTED report throughout this week. We are very proud and thank you once again for your continuous support. We are so fortunate to work with such an amazing community of families.

We are pleased that the pool was in use for the latter part of the week as we know lots of children were really excited by this opportunitiy.

George Bernard Shaw: "We don't stop playing because we grow old; We grow old because we stop playing."

If there are any playground games that are linked to your family's history, heritages and/or cultures, we would love to know about them! We would love for the children to share a wider range of games during their break and lunch times. Please feel free to email in any names and rules!

Wishing you a great weekend,
Mrs Shute Mrs Crisford MIss Lett

Rounding Fun in Year 5!

Year 5 had lots of fun consolidating their learning on rounding numbers in a different way! They enjoyed playing a variety of rounding board games, practising their skills while rounding numbers between 10 and 1,000,000. As well as strengthening their maths knowledge, the games gave everyone the opportunity to practise communication, turn-taking and working together. There were plenty of smiles, lots of concentration and even a few cheers along the way!

Polite reminders

Please contact the school office in good time if there are any changes to your child(ren)'s pick-up arrangements. This also includes picking-up after clubs where arrangements may differ to those specified on the sign-up sheet.

Poem created by Sithara, Y6 Fitzgerald
on works poetry day on Thursday

The day Creativity
Came to visit

Creativity skipped down the road,
singing happily as she sawed.
Her mind thought of what we would do,
as she tapped on my door as she jumped
and crowed.

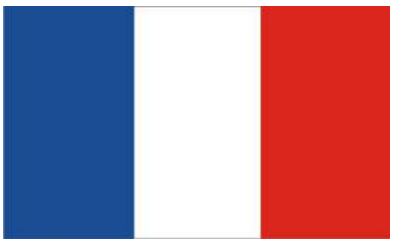

I opened my door and what did I see?
A beautiful girl as happy as can be.
She wore a pastel purple dress with a pale
blue bow.
When I said it was nice,
She twirled and screamed 'I know!'

Together we painted, played and drew,
with our bubbling minds helping us too!
How fun it was for the sun to smile while
we layed outside and the heat was only mild

We ate and drank rays of sunlight.
Then went outside to play with a colourful kite.

When it was time to say goodbye I hugged
her tight then she set off into the starry night.

The next time she comes to visit,
will have more fun than before.
because all it takes is a tap on the door.
