

10th March 2026

Dear Parent/Carer

As you may be aware, Comic Relief Day is taking place on Friday 20th March. As part of our charity fundraising efforts, we would like to support this cause by holding a non-uniform day. Red is the traditional colour of Comic Relief so students are invited to wear red, however they can choose to wear whatever appropriate clothing they choose.

Students who wish to wear non-uniform will be asked to make an online donation of £1 via MCAS (App – Store, Desktop – School Shop) which will go to Comic Relief. We will also be holding a bake sale to raise money for 'Young Lives vs Cancer' charity at break and lunch and welcome any sweet treats you may be able to contribute towards this (nothing with nuts please).

Students who have PE on Friday should still bring their PE kit; all lessons will run as normal.

We hope you can support your child in this charitable endeavour and we look forward to a fun and fundraising day. If you would like to make a personal donation to Comic Relief you can do so [here](#).

Warm Wishes

Mr Norris
Principal
