

12th February 2026

Dear Parent/Carer

I am writing to clarify arrangements for Session 6 after school clubs, following a few issues with students leaving clubs early.

Session 6 is not wraparound care; it is an optional extra-curricular offer run by teachers voluntarily, to give students varied and valuable experiences. Most Session 6 clubs finish at 4.15pm. On occasion school clubs may be cancelled at short notice, for example if staff absence cannot be covered.

We do not, as a matter of course, contact parents/carers to let them know if their child does not attend a Session 6 club, nor do we prevent a student from leaving if they wish to, due to the number of students collected from school or catching buses at various times.

We do expect students to go straight home on leaving the school at the end of the day or after attending a Session 6 club. If you are concerned about your child leaving a club early, please be clear with them about your expectations, as staff will not prevent them from leaving a voluntary club activity after school hours.

Warm Wishes

Mr Norris  
Principal
