

19th December 2024

Dear Parent/Carer

When we return to school in January, all students will be taking part in football in PE. This will be outside on the school field unless the weather is particularly atrocious. Please ensure your child has the following clothing:

Compulsory:

- A pair of studded football boots
E.g. [adidas-goletto-firm-ground-football-boots-juniors-086090#colcode=08609043](#)
OR [sondico-strike-soft-ground-junior-football-boots-070000#colcode=07000040](#)
- A pair of shin pads
E.g. [sondico-comfort-sondico-ankle-shinguards-812017#colcode=81201703](#)
OR [sondico-flair-slip-shin-guards-812016#colcode=81201603](#)
- Plain navy knee length sports socks (already part of the WVA PE kit requirements)

Optional:

- A warm base layer to wear under the WVA polo shirt and WVA skort/shorts – these base layers must be plain black or navy with no logos. **Tights or leggings are not permitted.**
- WVA ¼ zip long sleeve top
- A pair of gloves they don't mind getting muddy

Students will not be allowed to wear their WVA v-neck school jumpers or their coats as these are not appropriate for physical activity. We will ensure that the lessons are active and therefore students are kept warm.

If there are any significant issues with obtaining these items, please do contact me in advance of your child's first PE lesson of 2025.

Best Wishes

Mrs Fennell
SENDCo / Teacher of PE
